

Strawberry Festival

Saturday, May 24, 2014

Garden Grove, California

Parade Time - 10:00 am

ALL PARADE PARTICIPANTS MUST ENTER THE PARADE FORMATION AREA FROM ORANGEWOOD TO 9TH

The **Parade Check-in Area** will be located on 9th street. One person per entry must go to the check-in to pick up the parade entry number. The entry number should be displayed to the front of each unit on the right side, clearly visible to the parade announcers.

The **Parade Formation Area** is indicated on the enclosed map. Your parade entry number will be marked on the street in your assigned area. Each entry should assemble on their assigned number.

The **Float Formation Area** will be on Chapman Ave. Floats must be in the parade formation area and ready for judging by 9:00 am.

The **Equestrian Formation Area** will be on 9th Noth on the east side of the street. All equestrians must be checked in and ready for the parade by 9:00 am. All vehicles must be moved from the parade formation area to the equestrian disbanding area (see map) prior to the start of the parade.

All Entries are reminded not to stop and perform in place at any point along the parade route. All routines and performances must be executed while moving forward along the parade route. When units stop and perform in place, every unit in the parade behind them must stop and all the units in front keep moving, causing large "gaps" to form between units. For the best possible parade, please no stopping.

Announcing Areas will be located at three areas along the parade route. On Chapman Ave. at Loara, and on Euclid Ave. at Marian and Allen.

This is a noncompetitive event

(Exception: Floats are competitive and must be ready for judging in the formation area at 9:00am)

AT NO TIME IS ANY PARTICIPANT ALLOWED TO DISTRIBUTE ANYTHING TO SPECTATORS ALONG THE PARADE ROUTE. NO VEHICLE HORN HONKING, SIRENS OR AIR HORNS ARE PERMITTED.
