Garden Grove Strawberry Festival

We all could use a little sweetness in our lives, and what's sweeter than a strawberry festival? The 62nd annual event serves up an enormous strawberry shortcake at the kickoff (free slices for all), a pancake breakfast, games, rides, and awards ceremonies for contests (Berry, Berry Beautiful Baby; Tiny Tots King and Queen; and Redhead Roundup—categories have traditionally included Cutest Redhead, Classy Redhead, and Strawberry Blonde). The Saturday morning parade on May 28 features Grand Marshal Kathy Garver (*Family Affair*), Ed Alonzo (*Saved by the Bell*), and Neile Adams McQueen (*This Could Be the Night*), along with Miss Garden Grove and Miss Strawberry Grove. Neile will be accompanied by granddaughter Madison McQueen, cofounder of McQueen Racing, who carries on the legacy of her grandfather, superstar actor and race-car driver Steve McQueen. Vendors offer all things strawberry: smoothies, crepes, ice cream, tarts, chocolate-dipped treats, and more. *Free admission. Ride prices vary; all-day wristbands, \$35–\$40. strawberryfestival.org.* ► MICHELE RAPHAEL
