## **A Heartfelt Thank-You to Our Celebrity Guests**

For more than six decades, the Garden Grove Strawberry Festival has been honored by the presence of extraordinary celebrities who have brought joy, excitement, and star-powered magic to our parade.

From Hollywood icons and television favorites to Olympic champions, community heroes, and rising young talent, each guest has added something truly special to our celebration.

Their participation has helped create unforgettable memories for our families, inspired generations of festival-goers, and strengthened the sense of community pride that defines our event.

We are deeply grateful to every actor, musician, athlete, advocate, and local legend who has walked, waved, and shared their time with us.

Our parade shines a little brighter because of them — and we thank each one for being part of our story.
